GOCC NOTICE :

MARCH MEETING IS BEING
HELD AT FIRE STATION #51
Next To The Post Office
In Silverdale

The Glass Odyssey Corvette Club (GOCC) is a non profit organization, incorporated under the statutes of the state of Washington in March of 1972.

The GOCC meets at 7:00 PM on the first Thursday of each month. Members, guests and fellow Corvette enthusiasts are welcome.

PRESIDENTS MESSAGE

Hi everyone,

Wow, it's hard to believe this will be my last newsletter as President. It's been two years since you elected me as your GOCC President. A lot has happened in that time, both personal and with the club. There are so many people to thank and I'd like to begin by thanking all of you who supported me during my illness with thoughts and prayers, it does make a difference. I was blessed in having a great Executive Board working with me. Their unselfish support and willingness to do whatever it takes to make things happen made us an exceptional team and it certainly made my job easy and enjoyable. A VERY special thank you to:

-- **Chuck Cooley**, for being the best Vice President a President could ever ask for. A special thank you for taking over for me when I was ill and going through treatments, acting as both President and Vice President until my recovery.

-- **Margie Shurts**, for giving in to my pleading and graciously taking over the vacated Secretary position after the former Secretary resigned;

-- **Cathy Shaffer**, for doing a wonderful job keeping the books and us straight as Treasurer;

-- **Dave Ellingson**, former GOCC President and continued E-Board Member, for providing sound advice and guidance throughout my term, and for going to all of those boring NWACC meetings.

-- **Deedee Ellingson**, for making our monthly Club Newsletter interesting and informative and keeping me on track with my newsletter input;

-- **Harry Calhoun**, for stepping up and taking over the Newsletter;

-- **Carl Neuswanger**, for continuing to provide his great expertise in maintaining our GOCC website;

-- **Bill Stoner**, for doing an excellent job as Events Coordinator;

-- And all of you who head up committees, guide cruises, host game nights/progressive dinners, lead parades and all of the other fun events we all enjoy so much and make this a great club.

-- To every one of you in the club for making this a personally rewarding experience.

-- And last but not least, I'd like to thank my wife, **Kay**, for being a good sport throughout my term and letting me believe that whenever I made a mistake, she'd graciously accept my public accusation at the meetings that it was HER fault.

As you know by now, your new officers have been elected and I know you all will support them with the same enthusiasm as you have shown me. They are:

Chuck Cooley—President
Doug Carpenter—Vice President
Charmaine Courson—Secretary
Sally Kane—Treasurer

We still need nominations for the Most Inspirational Award and any Richard M. Nixon awards that need be recognized. And we need your suggestions for our charities for this year. A separate email will be sent to each of you to fill out and return.

Remember the March meeting will be held at the Fire Station in Silverdale this month only and April's meeting will reconvene back at the Fire Station on Old Military Road.

See you soon,

Bill Shipley

VALENTINES DAY DINNER AT TUCKERS

A few minutes before our GOCC caravan arrived at Tucker's Restaurant, there was a power outage throughout the area. We ended up dining by candlelight (or flashlights). The restaurant staff did their best to accommodate us and no doubt it was quite a challenge for them. They were such great sports. Even though there were candles, it was still difficult for the staff to see us. If we needed anything, some of us used the light of our cell phones to get their attention. It was also quite a challenge taking pictures. Our camera view screens showed only darkness. All we could do was point and shoot praying the subjects were centered in the photos. Needless to say, it was no easy task. I had to crop several of my pics which will explain why you'll see different sized photos.

The power outage made for a VERY interesting, BUT FUN evening. It certainly didn't slow us down. In spite of the outage, we had a ball! The food was DELICIOUS and as usual the company was GREAT! -- Kay S.
