GOCC President message for September 2011 newsletter

Our deepest sympathy goes to Harry Calhoun for the lost of his mother on Tuesday August 23rd.

As all of you probably are aware of we are experiencing problems with updating our website. In the interim until this is resolved you will be receiving newsletters, membership lists and event schedules via email. Thank you for being patient while this is being resolved.

Unfortunately due to previous commitments I was unable to participate in a couple of outstanding GOCC events in July and August. One was the excellent turnout for the Hood Canal Cruise hosted by Mike & Margie Shurts. I understand there was somewhere in the neighborhood of thirteen cars participating. Also the Port Ludlow Days car show August 31st sponsored by GOCC member Gene Carmody. Bill Stoner and Terry Ellingson were both winners in their class. The annual August meeting/picnic at the Holly Community Club was reported to have a great turnout, good weather and wonderful beef brisket and pulled pork entrees. Thanks to Bill Shipley, Chuck Williams and Dave Tarver for planning this event. A most recent event, "Thunder in the Mountains" was one I was able to participate in. Robert Weaver did an excellent job planning this event but unfortunately was unable to participate due to a medical emergency with a family member. We ended up with a small contingent driving to Whistler B.C. on Friday and returning on Sunday. The event was sponsored by the B.C. Corvette club with a venue that included a "Show & Shine", an Autocross, Reward Banquet, and a tour of the Winter Olympic Park and sledding area. Over a hundred corvettes participated. Our club member Bill Stoner took second in his class at the "Show & Shine" car show. Weather couldn't have been better.

Thanks again to Larry Ficca for coordinating the parades for this year. Whaling Days parade in Silverdale capped off the parade schedule for this year. I understand we had about 13-14 cars for that parade which was led by Dave Ellingson.

Please check the event calendar for upcoming events...lots of good weather left for good cruising. Hope to see most of you at the September 1 meeting.

"Where Has Your Corvette Been Lately"

By The Kane's

This was a two night trip over the North Cascades Sally and I took back in July with friends. Stayed at a nice B&B in Twisp and had dinner in a Brew Pub that had a String Quintet for music, very unusual. The next night was another B&B after stopping at Grand Coulee Dam. The trip was 550 miles and lots of fun. Get out and put some "Rubber on the Road" and take a friend.

Editors Note: In 1984, I proposed to my wife, Patti, on September 2nd at the Overlook Vista at the Dam. We were there for the Light Show. At that time, I owned a 1973 Corvette. We have very fond memories of the night and the damn. It is a very enjoyable drive.

Womens Only Weekend 2011

By Kay Shipley & Cherlene Golitz

Another great WOWeekend!! It is always fun to see surprised looks when passers-by see women driving in a caravan in their beautiful Corvettes. At every stop, people gravitated to us wanting to talk about the cars and take pictures.

What do women enjoy? Shop, shop, shop!! Lots of treasures were found at North Bend Outlet, Smallwood, and Leavenworth. What else do we enjoy doing? Wine tasting!! One day was spent cruising and visiting some of the local wineries in and around Leavenworth. Thankfully we had lots of trunk space! Do you know that some ladies in our club can sing? Well, OK, mostly audience participation. It was fun belting out our favorite tunes at a karaoke bar. On our return, our final stop was at Snoqualmie Casino trying our luck on the slot machines and just making sure we had enough money left for lunch and gas home.

ONCE AGAIN I AM ASKING FOR VOLUNTEERS TO BRING REFRESHMENTS AND DRINKS TO THE THURSDAY GOCC MEETING.

THANK YOU, CASSANDRA

The next GOCC Vettes for Vets benefit cruise in Port Orchard on 8 October at about 1 PM. We'll meet at the same place (Buck's A&W) for lunch at 1 PM and go to Retsil about 2 PM

Everyone,

It's time for the October meeting and again we are asking for donations for the Battered Women's charity. There is a "wish list" on the club website but they need almost anything you have to give. Cloths, diapers, soap, personnel items, toilet paper, household goods and of course cash. Please help if you can, I'll collect items in the fire station parking lot. Thanks for the help, it is truly appreciated.

Bill
