Message from the VICE President

Good day Members,

Looking at the title of this article you will see it is titled "Message from the Vice President" rather than the normal "Message from the President." The reason for this is that our President, Rich Culley, has incurred some serious medical problems. On the advice of his doctors he is going to be required to take a break from his duties as President of the club so he and Barbara can address these problems, and when they are taken care of he will return to his elected duties. While he is on the road to getting better, I will take over his duties hoping against hope that I can fill his shoes.

As you know Christmas is sneaking up on us and we do not want you to forget about the clubs Toys for Tots efforts. Please think about bringing an unwrapped toy to the next club meeting so we can donate it to a deserving child this holiday season. We want to thank Christine Dosa for volunteering to handle this important job. There will be a photo shoot with the Toys for Tots representatives on Sunday, December 9th at the President's Hall, at the Kitsap Fairgrounds at 1pm. We would like to have as many Corvettes for the event, so give some serious thought about attending.

Election time is in the not too distant future. As it stands now we are there are three board positions that are going to have to be filled, President, Vice President, and Secretary. Larry Ficca, our current Treasure has consented to remain as Treasure for the next year.

If you have been a member of the club for a while, it may be time for you to step up and volunteer for one of the above board positions. Give it some serious thought and we can discuss it at the next meeting.

The club events look exciting for next year, and we have to thank the events coordinator Dave Van Asten for his hard work and planning.

The plan for next year's activities will be posted on line when the finished copy is produced.
