Corvette Heads-Up

Oregon Trip!

Message from the President

The Oregon Trip last month was a lot of fun. A big thank you to Rich Culley for coordinating that event. See the write up on page 4!

Also, I want to thank all those who volunteered at our car show. We couldn't pull off such a huge event without the hours of work from our members and the members of Puget Sound Corvette Club, and the staff Gilchrist Chevrolet.

I have been busy getting our C5 ready for the Caravan coming up in August. We have 12 GOCC cars going on the trip plus a bonus car of Dave Tomar's brother and sister-in-law.

The annual picnic will be at my house on August 1st. Let me know if you need directions. Please bring a side or dessert to share and a chair to sit on.

Jamey has scheduled a Vettes for Vets event for August 3rd. Please come if you're available.

GOCC Goes to Oregon

Submitted by Elisha Pile

Friday morning, May 31st, Isaac & I joined Don & Vicki on a scenic cruise down the coast to Oregon. The first stop was the Astoria Column - the 1926 historic landmark has artwork of significant Oregon events including the Lewis and Clark expedition and the arrival of the railroad. The late morning weather warmed enough to allow for top down driving as we left Astoria. As we made our way down the 101, we stopped at several scenic pullouts to view Oregon coast.

We stopped for a casual lunch at The Original Pronto Pup in Rockaway Beach before heading to the Tillamook Country Smoker Factory Outlet for some tasty beef jerky. We checked into our hotel in Tillamook before heading to the Tillamook Creamery to sample the cheese and ice cream.

The hotel provided breakfast burritos which was nice because the morning was cool again during the drive inland to McMinnville. We met Mike Gleeson in his C7 and Paul & Leah from Puget Sound Corvette Club at the Evergreen Aviation & Space Museum. Don, Isaac, and I paid for a private tour into the cockpit and flight deck of the Spruce Goose. Isaac and Don both got to sit in Howard's Hughes pilot seat. We had lunch at the museum café as we spent the majority of the day working through the displays. Paul snagged a photo of the Corvettes as we left the museum and headed to our hotel to check in.

After checking into our hotels and getting unpacked, we decided to meet in charming downtown McMinnville for supper. We met at the Golden Valley Brewery and Restaurant for food, then walked the street looking in shop windows before stopping in Serendipity Ice Cream for a treat.

On Sunday morning, we left early in drizzly weather to Salem to visit The Brothers Collection. Thirty GOCC members and guest were joined by 15 Puget Sound Corvette Club members as we toured the car collection during the morning. The collection is impressive and beautiful and included dozens of Corvettes.

The weather continued to turn and the drive home on I-5 was non-stop rain which was heavy in certain areas. Nevertheless, we all made it home without incident

this 2003 Anniversary Edition was stunning

Isaac stands next to the twin of his own 1973 Elkhart Green with the giant LS4 motor— however, this one only has 76 original miles!
