

Corvette Heads-Up

Corvette Future?

**GM showcases a
Corvette Concept
car developed
by the new
advanced design
studio in the UK**

Message from the President

Cruise-In season has started, and April gifted us some very nice weather. I was able to make it to the Bremerton Airport once and two other members were there. Cruise-Ins are a great way to reach out and connect with the local car community.

Parade season is starting this month. Most parades limit us to 10 cars in our club entry, but there almost always more opportunities to participate carrying dignitaries or beauty pageant contestants. We have carried everything from local princesses and mayors from towns in Kitsap to the Miss Washington winner and US Congressmen.

On Wednesday June 18th, we are asking folks to join us for a GOCC emphasis at the Hot Rod Social at the Bremerton Airport. It starts at 3pm and goes through supper which we will have at Amelia's Hangar Restaurant. We have a table set up with GOCC literature and flyers for our car show. This is the day before a holiday, so we hope to see you there in your Corvette!

Readers' Replies: We're always interested in your thoughts about the Newsletter:

Corvette of The Month: This is where we invite you to share your passion for your car with your fellow enthusiasts. Simply provide one or two high-resolution photos of your car (or collection of cars), and a little background from you on the experience of owning the car—how long you've had it, where you found it, what you've done to it and what you love about it. Alternately, the Newsletter Editor can interview you and write the article.

Trip or Event: Do you have a great story about a trip or event you participated in, it might be a good candidate for a one-page feature.

Tech Talk: If you've discovered some wisdom about operating or maintaining Corvettes, this is the place to share.

Vette-Trivia: Have a little-known fact about Corvettes?

Send it in to the Editor. Maybe we'll print it!

For Sale: Got something you want to sell? Let us know.

April Adopt-a-Highway Report

The morning of April 19th, ten volunteers from GOCC picked up litter along Hwy 16 in Port Orchard with a support vehicle from Gilchrist Chevrolet. A total of 49 bags of trash were collected along with a muffler, a car grill, couch cushions, and a 20ft RV rollup awning. Humorous items included a shipping document belonging to one of James's employees and Kyle found a trillion dollar bill.

GOCC also started "Have a Club on the Club". Volunteers are invited to have a Subway sandwich at the location just south of Gilchrist immediately following a cleanup event.

**Have a Club
on the Club!**

Adopt-a-Highway volunteers are invited to join us at Subway following cleanup events for a free sandwich
